What People are saying

Don McCurry - President, Ministries to Muslims

“PathWays is a wonderful, manageable-size revision of articles that are right on target. No redundancies. Balance. It is just what we need for the churches who study to take missions seriously.”

Amy Barstad Law - North American Director, Frontier Missions YWAM

“In YWAM, we believe changed lives will change the world. PathWays changed and expanded my view of God and helped me discover my niche in changing the world.”

Don Richardson - Minister-at-large, World Team

“PathWays To Global Understanding is a concise and cogent introduction to the world of Christian missions. I highly recommend it.”

Mark Rentz - Elder for Missions, East Valley Bible Church, Tempe

“An incredibly inspiring and informative class on the glory of God among the nations! I took the class in college and now, over 20 years later it still resonates in my soul. If you can take this class, do it!”

Miriam Adeney - Associate Prof. of Global and Urban Ministries, Seattle Pacific University Teaching Fellow, Regent College

“Biblically-rich and user-friendly, clear and concise: This is a book that serious Christians cannot afford to pass up. Since 9/11, we now know that we cannot see ourselves as separate from the rest of the globe. Like it or not, we are engaged with them. This book helps us do it right, not as ‘ugly Americans,’ but as blessings to all the world.”

George Patterson - Professor of Missions, Western Seminary Church Planting Movement mentor

“PathWays is like a high potency vitamin pill. It gives you and your church a healthy, practical approach to global evangelism, neatly packaged and easy to swallow. You don’t need to be a scholar to digest it. Many churches, learning these vital truths, find new depth of purpose and strength, even in areas of church life not directly related to missions.”

Carol Davis - Director, Global Spectrum

“PathWays is a course that changes you and the way you think about almost everything. It engages your mind and heart, drawing you powerfully into the ‘ah ha’ moments and settling the major ‘meaning’ and ‘purpose’ question marks of life.”

Harry and Patty Larson - IDEAS

“PathWays revolutionized the way our congregation views the world. We have sent out over fifty career missionaries. PathWays gave everyone of them the worldview we want our workers to have. It perfectly meets our needs not only to train workers, but also to mobilize all our members to be globally-minded Christians.”

John Robb - Director, Prayer Mobilization, World Vision

“PathWays will expand your mind and fire your heart for Christ’s mission in the world. It is a “must read” for anyone wanting to be a world Christian in our day.”

Len Bartlotti - Oxford Centre for Mission Studies, Oxford, UK

“Lots of Christians are now ‘going’ to the nations. Most are back ‘in time for dinner’. PathWays gives students and churches the insights, passion and tools to stay and declare His glory--to give their lives as a love-gift to Christ, His burgeoning global Church, and the needy peoples around us.”

David Dougherty - OMF, Leader Development Team

“PathWays is a supremely user-friendly edition of the popular-level missions curriculum. Those who want to see that “a church for every people” move from earnest aspiration to accomplished reality have another resource that can help increase the impact of our ministry. The impact of our work will be extended everywhere this tool is used by Spirit-empowered disciples.”
