Jesus said in John 4:35b  
"I tell you, open your eyes, and look at the fields! They are ripe for Harvest".

#### General Session 1

##### Friday Afternoon Keynote Speaker – Pastor Wally Magdangal

Pastor Wally Magdangal – This Filipino Evangelist was pastor of a large underground church in Saudi Arabia, before, during and after the Gulf war. Because of the impact he was having among the Muslims, Pastor Wally became a target of Islamic fanatics; becoming number one most wanted on their list. He was eventually abducted, jailed, tortured and sentenced to death by the High Court of Arabia. Seen and heard by millions around the world, his testimony continues to challenge and stir the hearts of his listeners. He is the founder and president of Christians In Crisis; a prayer and advocacy ministry on behalf of the persecuted church worldwide.

#### General Session 2

##### Friday Evening Keynote Speaker – Carol Davis

Carol Davis - As co-founder of Global Spectrum and Executive Director of LeafLine Initiatives, Carol pioneers pathways to the future, which keep her on 'the grow' and usually in hot water. She is a sought after speaker for her futuristic perspectives and strategic insights. Having served on church staffs for more than 25 years, and now as a consultant, she continues to catalyze new initiatives; consults and mentors pastors, organizations, global strategists, field teams and the next generation.

#### General Session 3

##### Saturday morning Keynote Speaker – Bob Sjogren

Bob Sjogren (pronounced "show-grin") - President of UNVEILINGLORY, a ministry geared toward awakening the church to a new awareness of God's glory in all areas of life and to see that glory go to all peoples of the world. Much of Bob's teaching is in audio, video, and book form. He has co-authored "Cat and Dog Theology" with Gerald Robison as well as authored "Unveiled At Last" (also translated into Russian, Korean & Japanese). He co-authored "Run With the Vision" with Bill & Amy Stearns. Bob has been instrumental in starting the Caleb Project as well as Frontiers (interdenominational faith mission agency geared toward church-planting in the Muslim world). His heart has always been toward raising up laborers to help fulfill the Great Commission in order that God's greatest glory would be revealed among all nations!
